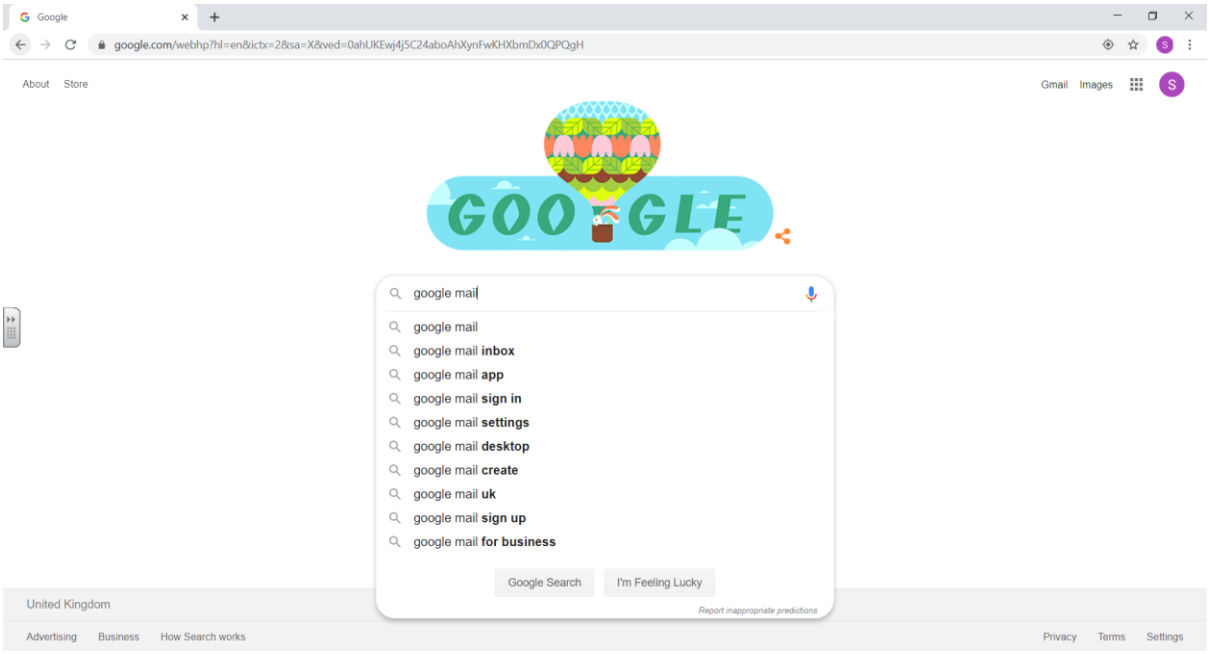
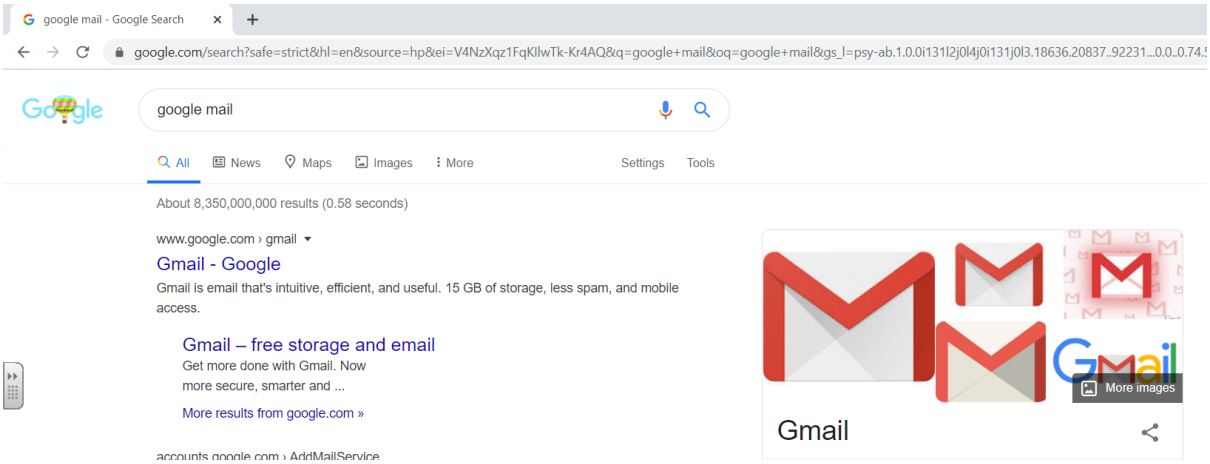
How to set up Google classrooms and access your account:

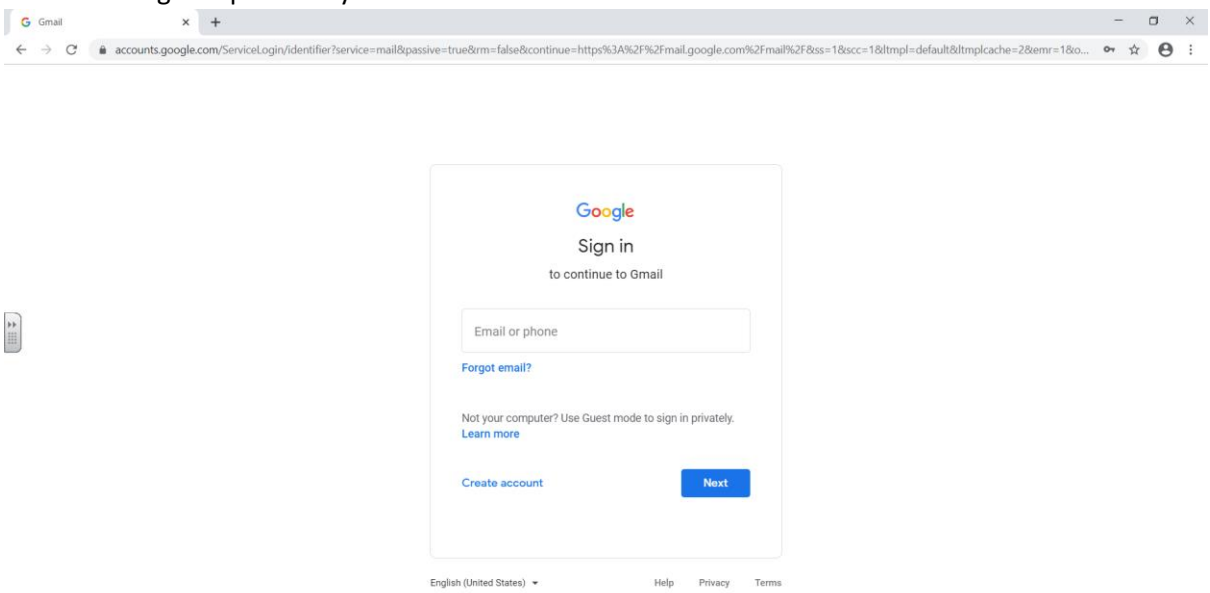
1. Go to google and search for Google Mail



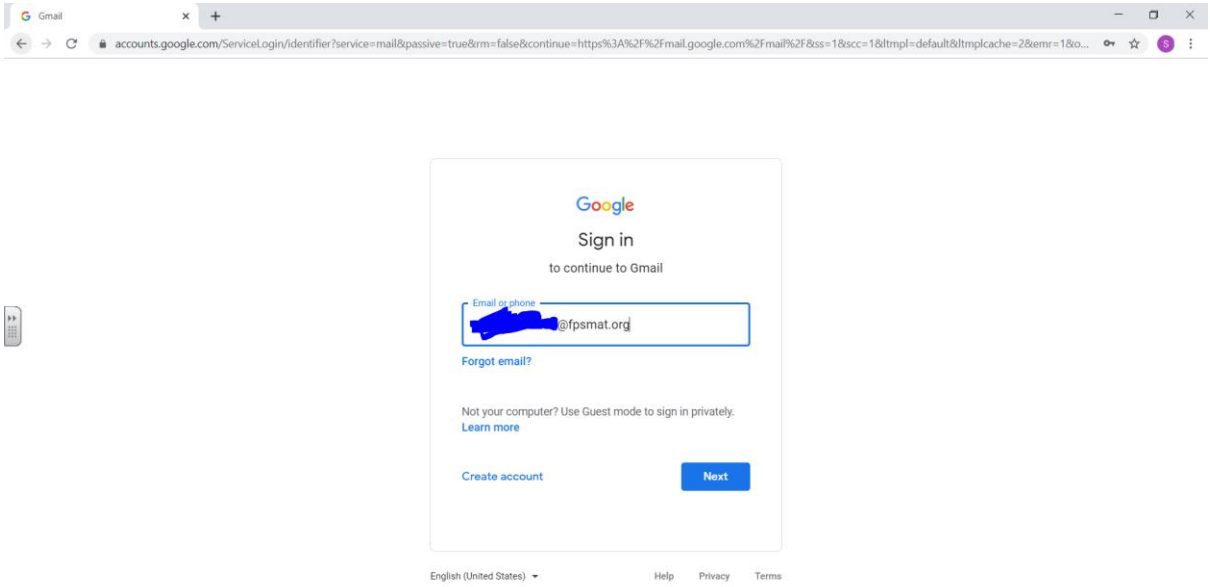
2. Click on the top option for Google Main



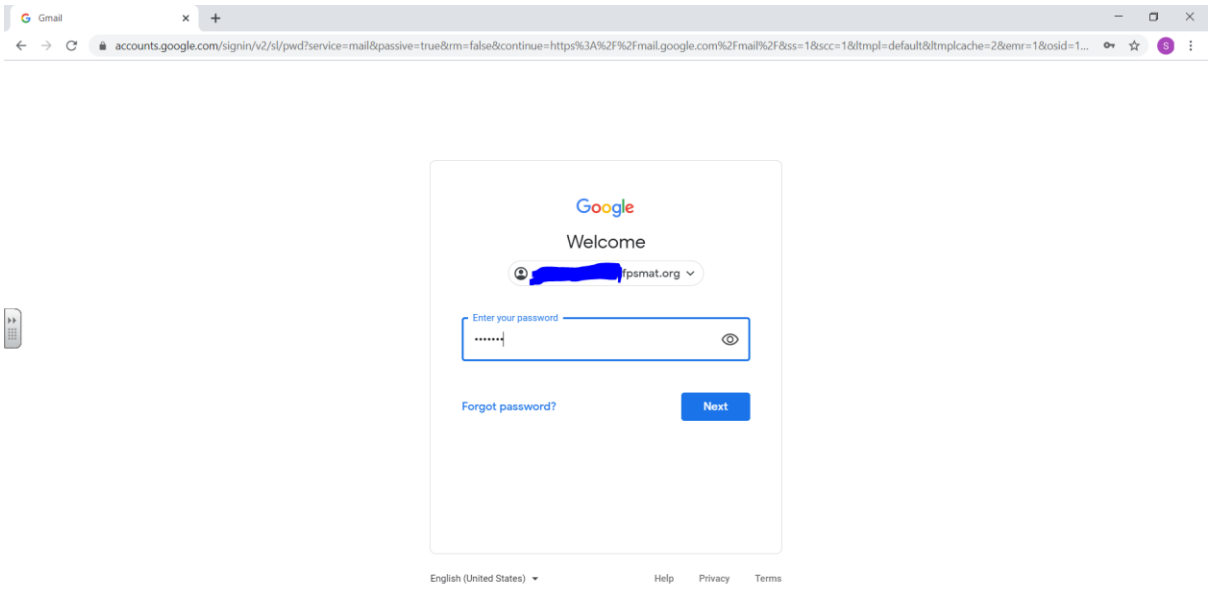
3. Please now sign into Google Mail using THE CHILDREN'S LOG IN that you were given on your letter with a guide previously attached.



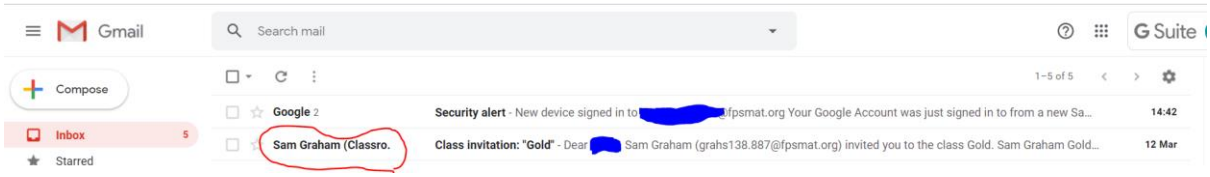
4. Enter their email and click next



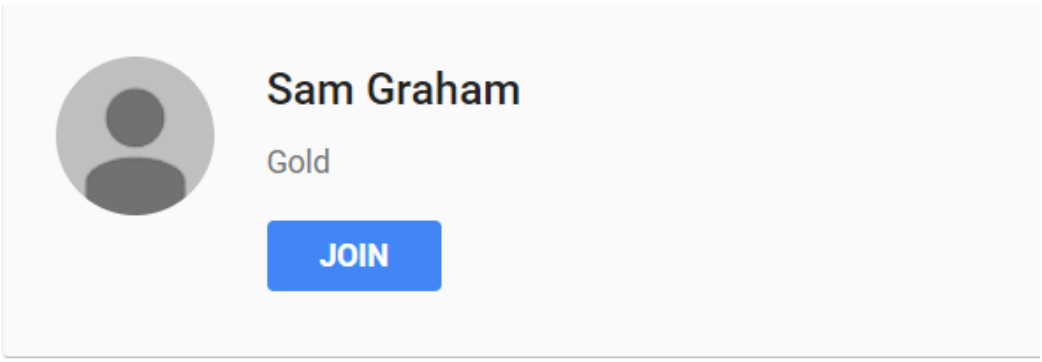
5. Now enter their password that is also found on the letter that you have previously received from the school



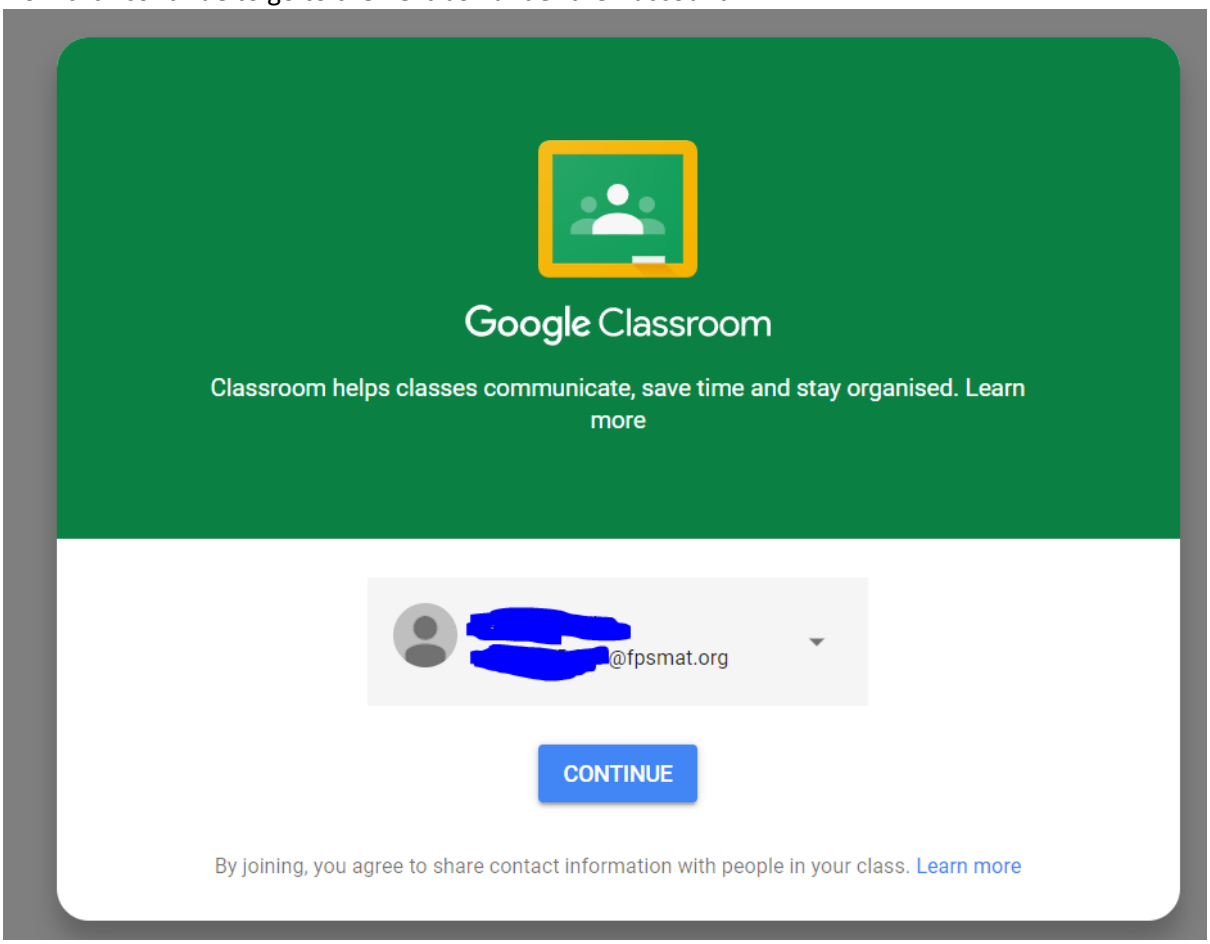
6. It will then open your emails and you must click the emailing asking your to join the classroom



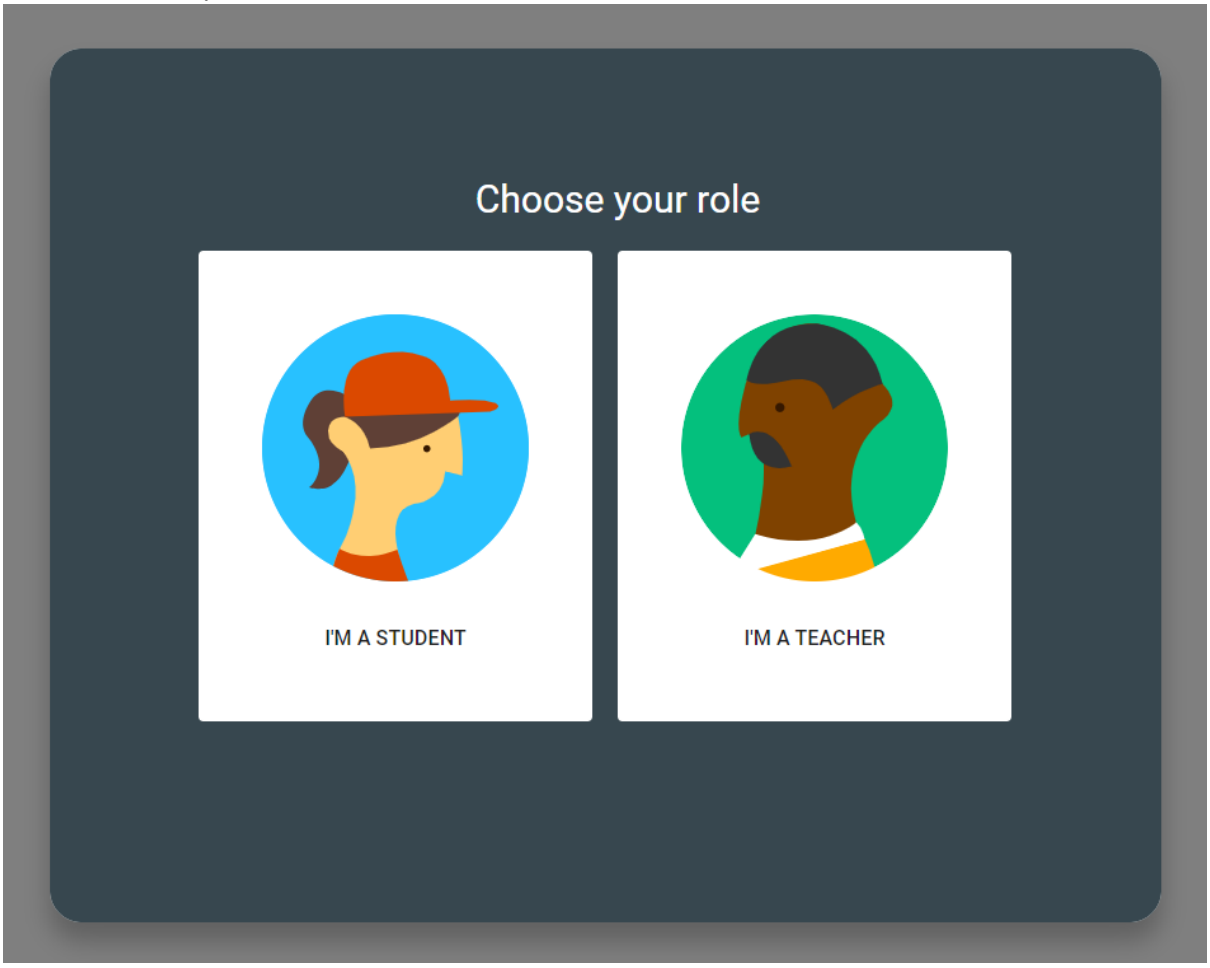
7. Click on the email and then you will see an option to 'join' the classroom



8. Now click continue to go to the next box under their account



9. Then select that you are a student



10. Now you are signed up to google classrooms and you can refer to the previous pack on how to access the learning once it has been assigned to you from Monday.
